I can't begin to tell you how much fun I've had these last few weeks that I've been going around with all of you "dummies."

I only wish I could have been in your crowd long before now. You kids have so much fun doing anything. I can't wait till Friday night. I just love everyone in our group. I will miss you next year if you don't go to the U. of. 2. Be good and have fun (that was stupid to put I know you will.)

IF someone were to peer in through one of our doors they would witness students preparing their foundations for the future as they work, and play in their community of school. Through the doors of CHS many students enter each morning. It is in these halls of learning that they have a choice of various doors which open their future. Some of these doorways may lead to vocational or occupational training while others open to college preparatory work.

Each student holds the key to his door of success in his hand. Some may lightly toss away this opportunity, but most unlock the door when opportunity knocks and invite him in.

Board of Education

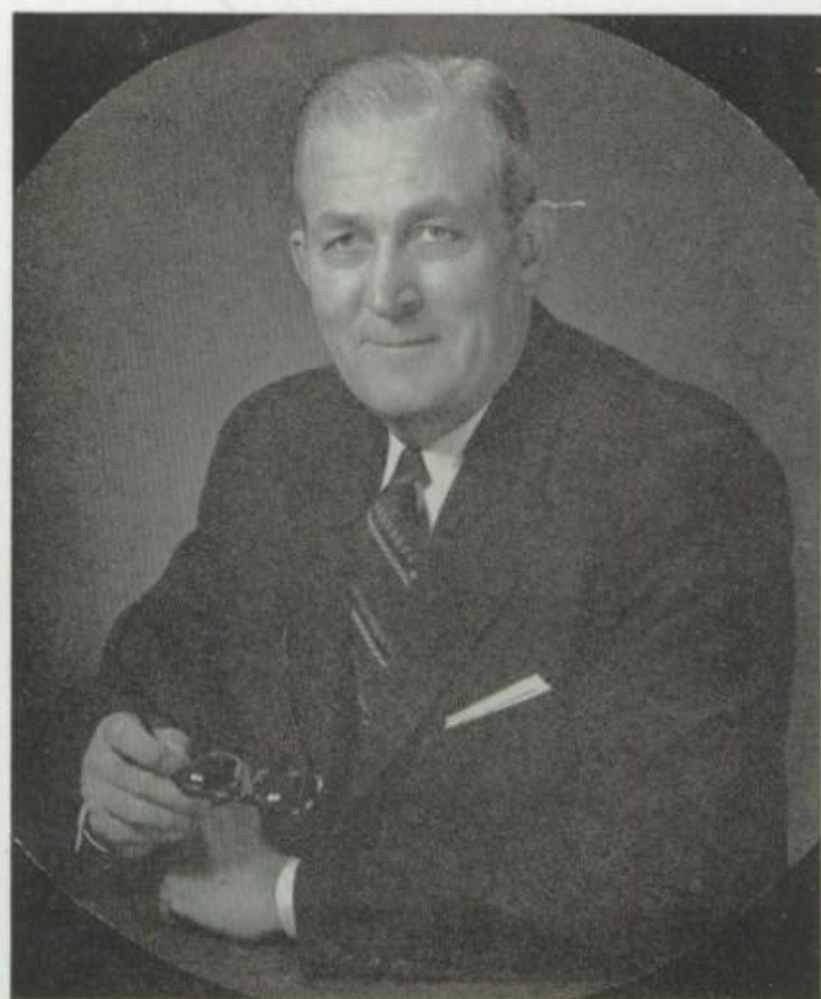

Left to right—E. H. Mellon, Mrs. Elizabeth Squires, M. R. Grindley, E. A. Colbert, H. S. Dawson, Dr. W. R. Freeman, Ralph Eckerstrom, N. L. VanDemark, John F. Faulkner.

Devoting its time to the management of Champaign schools is the main duty of the Board of Education. The board consists of seven members, a clerk, and the superintendent of schools. Each elected member serves a term of three years with two or three members being elected every year. This elected board works without pay. As the work in a beehive increases with the amount of honey, so each succeeding year the board faces more problems for which they all share the responsibility.

Dr. E. H. Mellon

How often do we stop to think of the contribution Dr. Mellon makes to our community? Just what does he do, and what sort of a person is he?

Capable, friendly, and efficient are adjectives which describe Dr. Mellon as he performs his job as superintendent. In supervising the schools of Community District No. 4, Dr. Mellon helps teachers with their problems, consults with parents to improve their children's education, and cooperates with the school board to put into operation the policies they formulate.

Mr. W. T. Wooley

In his third year as Principal of Champaign High School, Mr. Wooley has certainly proved to be a capable principal. After receiving his Bachelor's and Master's degrees from the University of Illinois, he did graduate work at Columbia, Harvard, and Vermont Universities.

Mr. Wooley is held high in the esteem of both the student body and the faculty of Champaign

High School. A friendly person, he welcomes all who come to C.H.S.

Changing the high school from Green Street to the new location on University Avenue has presented many obstacles, but with Mr. Wooley as our Principal these difficulties have been smoothed out by his experienced hands. We appreciate all the fine help Mr. Wooley has given us.

Miss Nell Zehner

"Let never a harsh word be spoken" is a motto that Miss Nell Zehner, Vice-principal and Dean of Girls, has set as the aim of her office. Well she achieves that motto, too, as every student who enters her office finds not only help, but a kind and understanding person who will listen endlessly

to student problems. Although Miss Zehner's work keeps her busy every minute of the day, she declares that she enjoys it tremendously. Miss Zehner is an essential part of CHS and a loyal booster of all its activities.

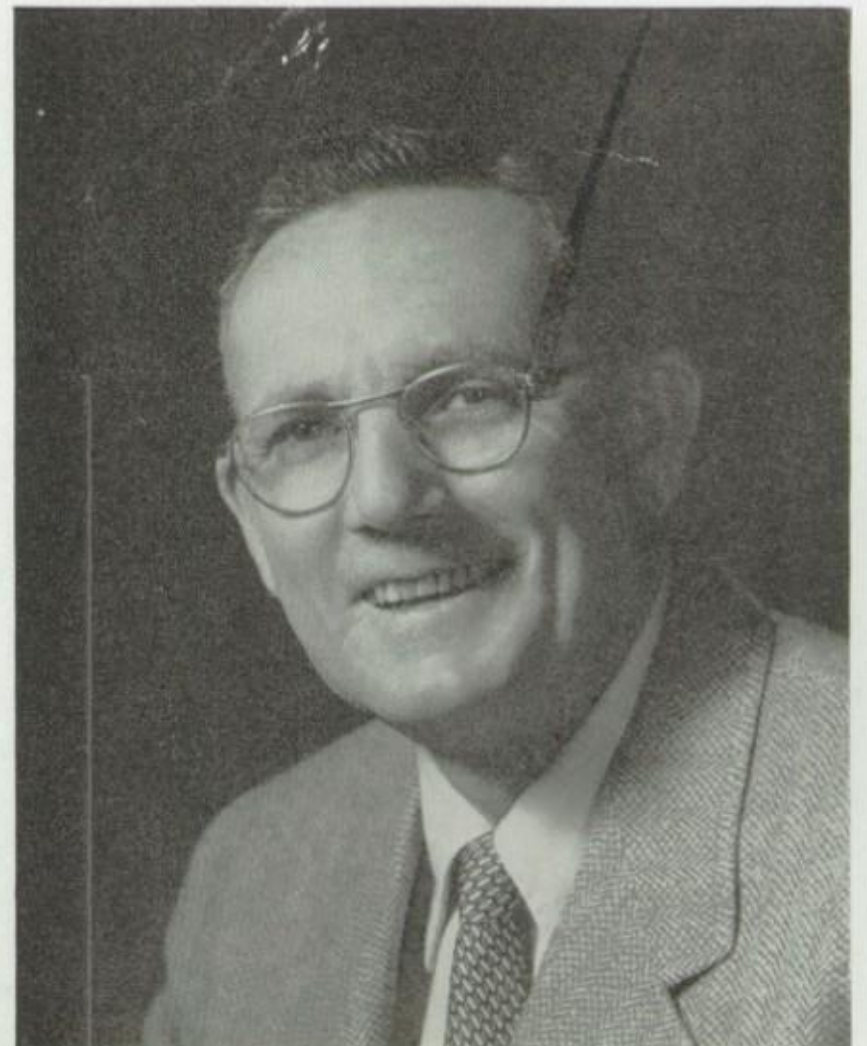

**Vice Principal and
Dean of Girls**

Fred Major

Dean of Boys

A friendly smile, a kindly manner, and a firm "hand" are phrases describing "Fred," CHS Dean of Boys. Most boys who enter CHS do not leave without coming to know Fred Major. As Dean of Boys he advises and counsels those students who seek his services. Since he is the former CHS football coach, he is well acquainted with all types of problems which he handles to the satisfaction of the school and the parent.

Senior Class

Like most other sophomore classes, we entered CHS in 1953 frightened and unsure. After our initiation we commenced our Senior High activities by electing our class officers. We selected Roger Derby, president; Dick Winters, vice president; Brenda Braun, secretary; and Sandy Wood, treasurer. Our first advisers were Mrs. Jean Hiser and Mr. Clarence Fuqua. That year we sponsored "Devils Holiday," a successful dance to make money for our future activities.

We were a group of happy-go-lucky juniors under the capable guidance of Joe Atkinson, Beth Dohme, Sue Mittendorf, and Denny Dahl. We had Mrs. Alice Barlow and Mr. Walter Loftiss to keep us in line. During basketball season we sponsored

two after-game dances to earn money for our big project, the junior-senior prom. All of us worked hard to make "New York at Night" the thrill we wanted it to be.

This last year has been one we will always remember. Our class made a very good showing in all our activities, a nice way to end our days at C.H.S. We were busy all year long as our able officers appointed us to committees early in the fall. The committees worked hard all year to make our year a most unforgettable experience.

We were very proud to be the first graduating class from our wonderful new high school and we hope we will bring many honors to the school in the coming years.

Junior Class

Junior Class began the year with the election of the class officers. Mary Jo Florio was elected president; Charlie Younger, vice-president; Bob Whetzel, treasurer; and Nancy Daily, secretary.

What would the year be like without a Junior-Senior Prom? This event was made possible through the efforts of the Junior class members. To earn money for the dance the class sponsored several projects. One of the most successful projects was the sponsoring of a dance, the "Regional Rock," after the Champaign-Monticello game.

Prom committees were chosen in December when the big day, May 18 seemed far in the future. The decorations were beautifully done and everyone appreciated the work of the committee leaders, Theresa Schneider, Karen Ing, and Bob Lehmer. A dance would not be successful without entertainment. Thanks to the efforts of Tiana Banta,

Don Clegg and their committee, the dancers enjoyed top-notch entertainment. Judy Fairchild, Joe Hegmann, and their committee sent out the invitations for the chaperons. Linda Colegrove, Winkie Franklin, and their committee obtained the refreshments while Joyce Hites, Joe Thompson and their committee commanded the cloak-room. A major part of the money for the dance was supplied by the sale of tickets. Bill Black, and Betty Appel were co-chairmen of this committee. Jerry Weibel and Penny Peterson headed the program committee.

One would think that after the Prom was over the class would have done their share of the work. However, not until they had provided very beautiful decorations and flowers for Baccalaureate and Commencement did they finally get their well-deserved rest.

Sophomore Class

Wonder, excitement, apprehension, fear, and suspense were some of the feelings that were expressed as the Sophomores took their seats. It was the day of sophomore orientation, and the new class was getting acquainted with the new teachers, classes and faces. After a brief rundown of the school, the class was divided into small groups and each group went to their assigned room. While in the room some upper classmen explained the extra-curricular activities of the school.

As the year progressed, the upper classmen found that the new class had brought with them new ideas and methods of doing things. They were ready and willing to work. The sophomores also

learned to represent C. H. S. in sports, music, dramatics and other activities.

The sophomores did their share of campaigning for class officers. When the final vote was counted, the following were elected: Bill Butterfield, President; Carol Bruce, Vice-President; Sandy Fairchild, Secretary; and Karen Tille, Treasurer.

To help and guide them in their activities, they chose Miss Bates and Mr. R. Meyer.

Soon the end of the first semester arrived. Events such as dances, football games, plays, and contests have passed. Time flew fast and to these Sophomores the year had gone quickly. They are now looking forward to next fall and to following in the footsteps of the upper classmen!

Honor Society

Every year a group of juniors and seniors are initiated into the CHS branch of the National Honor Society. These students, elected by the faculty, have shown outstanding qualities in scholarship, in leadership, in service, and character in the various school activities. To be initiated juniors must have a 4.75 average and seniors, a 4.50 average.

After the initiation banquet, an impressive candle-light ceremony, the newly elected members receive their club membership cards and their official pins. This year the Honor Society participated in the "Get out the Vote" campaign. For a money-raising project, the club sponsored concessions and a dance after a football game.

Quill and Scroll

Quill and Scroll is a national honorary society for which all members of *Chronicle* and *Maroon* try to qualify. To attain membership, the members of *Maroon* must work diligently and effectively while *Chronicle* members must earn six hundred points during the year by writing stories, selling ads, and typing. The new members are initiated at a banquet held each spring, where they entertain the older members by performing skits. By sponsoring a dance and a concession stand after basketball games, the members obtained funds for the banquet. Miss Betty Woller and Mrs. Alice Barlow alternately sponsor Quill and Scroll.

Maroon

Putting out a complete and interesting yearbook is the aim of the hard-working *Maroon* staff. Many a night they have stayed late, working to accomplish this feat.

At the first of the year much time is spent, identifying the sophomore and junior school pictures, selling advertisements, and taking pictures of the different activities of the school. Later on the department editors plan the layout pages, as well as pick the cover which is designed by the staff artist. The *Maroon's* own photographer takes many informal snaps which occupy an important part in this year's *Maroon*.

While the yearbook was being made up and put together, the business staff was kept busy selling advertising, and making up the layouts for the ads. The subscription campaign was launched at the beginning of the year. In each first hour class a *Maroon* representative was in charge of selling subscriptions.

To aid in the cost of the yearbook the entire staff joined forces and took charge of the concession stand at a basketball game as well as participated in the student council's get-out-and-vote campaign.

Chronicle

A glance into Room 101 on Tuesday afternoon might suggest to the un-initiated that a hurricane had just been through. In reality, *Chronicle* staff members are just scurrying around collecting last minute news for their five o'clock deadline. Under the sponsorship of Mrs. Alice Barlow, the CHS *Chronicle* is edited on Mondays and Tuesdays, and is distributed to subscribers every Friday. News, features, and sports writers work side by side to bring readers the latest scoop around CHS. It is published for the express purpose of enlightening and entertaining the student body. Although the news may not be brand new, sophomores, juniors, and seniors strive to put pep and vigor into their stories in order to entice CHS'ers. *Chronicle* is a self-supporting club, which is published by the Mills Publication Company in Hoopeston, Illinois. Frequent parties and plenty of hard work characterize the activities of a member of the *Chronicle* staff.

Student Council

Led by President Pam Parkhill and advised by Miss Marjorie Strong, the Student Council of 1957 has accomplished many goals. Besides the projects of previous years, it completed many new ones. Having a foreign student, Wenche Mortensen, at our school has been a wonderful experience for everyone, and she has brought a great deal to Champaign High. This year it was voted to send a student abroad this summer, and have another student here next fall.

A Leadership Training Dinner was held this year to help representatives from all clubs to develop better leadership. The Student Council also sponsored a tea at the beginning of the year to help the Student Council members and the faculty get acquainted.

Busy, busy, always busy!

To help charity the Student Council backed a Hungarian Relief show also, it made \$702.02 for the March of Dimes, which is more than in previous years.

To get people out to vote the Student Council worked with other clubs in a car-window-washing campaign. A mock election in our school was also held, to arouse interest. Other projects were accomplished by the Student Council and other clubs. For example, at Christmas, many clubs decorated trees for the building. Working with the Social Science department, the Council held a Social Science forum.

Each meeting is opened by a chaplain reading a prayer. To let other students know about Student Council activities, the secretary posts the minutes on a bulletin board in the main hall.

This year at the district convention, Judy Dale was elected to the position of secretary. At the state convention this year Champaign had charge of a mixer dance.

Plus all these new activities, the Student Council carries out numerous old ones, which all help to improve the school.

Time out for study.

Future Homemakers of America prepares young people of today in the field of homemaking. It has worked on many worthwhile projects. At Christmas the girls decorated a tree for Cunningham Home. They made Valentine favors for the polio ward at Burnham Hospital and fixed a scrapbook of Valentines for the children at Cunningham Home. The girls earned enough money to carry on these projects by sponsoring a dance after a game and by selling concessions during one other game. The CHS chapter was hostess to the two junior high chapters at a Christmas tea in honor of Wenche Mortensen. They had a formal installation and initiation of new members. For fun the girls went ice skating and had a picnic at the end of the year. Mrs. Lila Jean Eichelberger is the sponsor of the club.

The newest organization of CHS is the Champaign Chapter of Future Nurses of America, which was organized this fall. For girls who are interested in helping others, the nursing career is ideal.

Mrs. Harriett Hunt, the sponsor, helped to establish this growing club.

During Christmas the club entertained the patients at the County Nursing Home in Urbana. They attended teas given by student nurses at Burnham and Mercy Hospitals. They made several tours through nursing homes to see a typical student nurse's life. In the spring these aspiring nurses visited a mental hospital.

At the monthly meetings of the FNA Chapter, speakers from different hospitals in central Illinois explained the fields of nursing and the opportunities that their particular hospital offered.

Working very diligently this year were the members of the Future Teachers of America Club, sponsored by Miss Grace Wiley. First on their list of activities were the annual Christmas parties for the handicapped children of the Unit IV Special Education classes. These parties stimulated much interest in the manner of teaching the handicapped children; consequently, the Program Committee arranged for two small deaf children and their teacher to attend one of the monthly meetings. At the meeting, the totally deaf youngsters demonstrated their skill in lip reading.

Along with their regular activities the seniors busied themselves with the Senior Study Program. The purpose of this was to prepare them for visitations in the different elementary schools. By visiting the schools, they became better acquainted with the levels and could discover the one for which they were best suited. Another of their many activities was serving refreshments at the teas given by the various educational organizations.

In April each FTA'er attended the state FTA Convention to stimulate their interest in the teaching profession.

Top chapter in Section Seventeen—this was the honor bestowed on the Champaign chapter of FFA this past year. Section Seventeen consists of nineteen chapters. The plaque which was the chapter's award was presented in an assembly held for that purpose. Not only was the chapter cited for its efficiency, but individual members won honors in the sectional foundation contests—Don Wood in beef and Dan Reifsteck in corn. In addition Don Wood was awarded the Illinois State Farmer Degree and was elected vice-president of Section 17 for 1956-57.

During the past summer the boys of the FFA farmed 17 acres of soybeans on the Eisner plot. The proceeds from this project financed their trip to the National FFA Convention in Kansas City in the fall.

The Dairy Products Judging Team participated in the National Contest in Waterloo, Iowa. A Gold Medal was received by Ralph Gudeman; Jim Corray and Richard Goyne received Silver Medals. The Chapter also took top honors with their Land Judging Team in the annual Land Judging Contest in Mahomet. Bob Hatch received first as an individual; Dan Reifsteck and Ralph Gudeman received second and fourth, respectively.

The Illinois Office Occupation Association is an organization connected with the office occupations course at CHS. A very active club, I.O.O.A. holds its meetings during class and in the evening. During the meetings speakers talked upon grooming, income taxes, dress, and health. About 25 girls work at various jobs in the afternoon. In November, they attended an area meeting in Mattoon. On February 5, they attended the State Leadership Conference. Sharon Hinkle was elected to the State Board. In the spring the girls climaxed their activities by feting their employers at a banquet.

Are you interested in selling? Then Future Distributors of America is an organization for you. Distributive education is a revived program established to keep students in occupations. To participate in this class activity, a student must be sixteen years old. He spends over an hour daily in class and works the fifth and sixth hours on the job.

Class time is spent in discussion and study of problems related to the jobs. Members of this class are automatically members of Future Distributors of America.

COMMERCIAL CLUB

Commercial Club is open to all students who have had or are taking business education courses. To stay in the club they must maintain a "C" average in their business subject, complete one project a year. Two of these projects are helping the faculty with their typing and doing art typing.

To earn money, Commercial Club has helped with concessions after the basketball games. Various community projects which they participate in are the March of Dimes, and the Get-Out-the-Vote Campaign. An annual Christmas project of Commercial Club is providing gifts for the children of Huling Home. Two field trips were taken by the club this year, one in the fall to the Statistical Tabulating Department of the University of Illinois and one to the Chanute Field.

El Staff

Making our library run smoothly and effectively this year, were approximately thirty El Staff members who combined their talents with their efficient sponsor, Miss Thelma Englund. She guided them through many activities, including an after-game dance and concessions, at one of the basketball games.

To keep the library in order, these ambitious people work from two to five hours a week. Workers are rewarded on the basis of the number of points earned during the school year with numerals their first year, letters their second year, and chevrons their third year.

Since the El Staff's first meeting in 1951, it has been growing steadily. It is a member of the Student Librarians Association of East Central Illinois. Student Librarians from fifteen schools, including CHS, attended the 1956 meeting held at Hoopston High School.

Because El Staff is a service organization, students who make this their activity receive little recognition, but they have the satisfaction of knowing they have served the school.

Dramatics

Dramatics comprise a big part of the outside activities of C.H.S. Whether acting, in the plays, working on scenery, or handling the numerous other phases of a production, students enjoy their part in the organization. The membership of Wig 'n' Paint, the largest club with 325 members, is proof of this statement.

This year the first major production was the annual Stunt Show, which was a tremendous success. Held in the gym, the acts were especially effective against the new maroon cyclorama. Some of the best acts were chosen to appear in the Elks' Stunt Show. Other major productions were *Sabrina Fair*, the fall play and the first production staged in the new Little Theater, and *Lute Song*, the spring play. A cutting from *Lute Song* was used as the selection for the Illinois Dramatics Contest.

Advising these groups is the Drama Board consisting of the presidents and treasurers of Wig 'n' Paint and Thespians, a member-at-large, two teachers chosen from the faculty, and Miss Stuart and Mr. Meyer. Another active organization in the dramatics department is the debate team. These skilled debaters engage in verbal combat with other teams throughout the state. Those who acquire at least twenty points are eligible for membership in the National Forensic League, an honorary society in speech.

C.H.S.'ers feel very fortunate to have the fine direction they receive from Miss Stuart, dramatics coach, and Mr. Meyer, debate coach.

The National Thespian Society, which was organized at C.H.S. in 1930, just one year after the original founding, is devoted to the advancement of dramatic arts in secondary schools. It is an honorary rather than active society of Wig 'n' Paint. Members of Wig 'n' Paint can become members of Thespians by devoting their time and effort in school plays, either by acting or working backstage; participating in stunt shows; giving readings; and working on similar projects until they earn one hundred points.

Miss Marion Stuart, Dramatics and English teacher at Champaign Senior High School, is the troop sponsor.

Music Department

Visitors to CHS have to hunt hard for the CHS musicians this year, because they are neatly tucked away in their own wing in the new building. This wing, the pride and joy of the music teachers and students, is fully equipped with separate rooms for band, orchestra, choir, private practice rooms, and music offices.

The wing comes to life each morning when it is invaded by Mr. Shaul and his band. In the fall the band concentrates mainly on marching, and learning many intricate routines and formations to be performed at football games. Seven peppy majorettes lead the band onto the field at each game. When the football season is over, the band provides music for basketball games and pep assemblies. They also prepare more serious music for their annual concert. Some band members enjoy playing with the CHS Dance Band under the direction of Mr. Loftiss. This group plays for various dances at the Junior High Schools as well as for after-game dances at CHS. They are also featured in the "Modern Mood" of Musical Moods.

CHS vocal groups keep the wing humming throughout the day. A Cappella Choir was featured in the Pops Concert, Musical Moods, and their own Choir Concert. The girls and boys in A Cappella each have their own separate vocal groups. The girls are members of Vocalettes under the direction of Mr. Shaul, while the boys are members of Troubadors under the direction of Mr. Loftiss. These two groups perform a great deal outside of school for various meetings and luncheons in the community.

Baton Club

Baton Club originated as a student council for the band. At that time there were two separate groups, Baton Club for the boys and Treble Clef Club for the girls. Eventually the two merged and membership was limited to only Junior and Senior music students as it is today. The hard working students of this club back all of the musical events of CHS by selling tickets and planning all the details behind the scenes.

This year for the annual Vice-Versa dance the members concentrated on elaborate decorations. The theme was "Oriental Fantasy." A large golden Buddha dominated the center of the dance floor, while a dragon with blinking green eyes hung from the curtain. Modern Music Masters are chosen from Baton Club members. Verrollton C. Shaul is the efficient faculty sponsor.

"C" club members strive to promote and maintain the highest standards of athletics possible. Their main activities other than their sports interests are staging the annual "C" club dance, the event girls wait for all year, and holding the picnic for their own members.

Art Club

One of the newest and the busiest organizations for CHS students is the art club which was founded only last year. In order to develop more appreciation of art the members visited the University of Illinois art exhibit, the Chicago Art Museum, and a local farm in order to draw landscapes and horses.

It's original.

G. A. A.

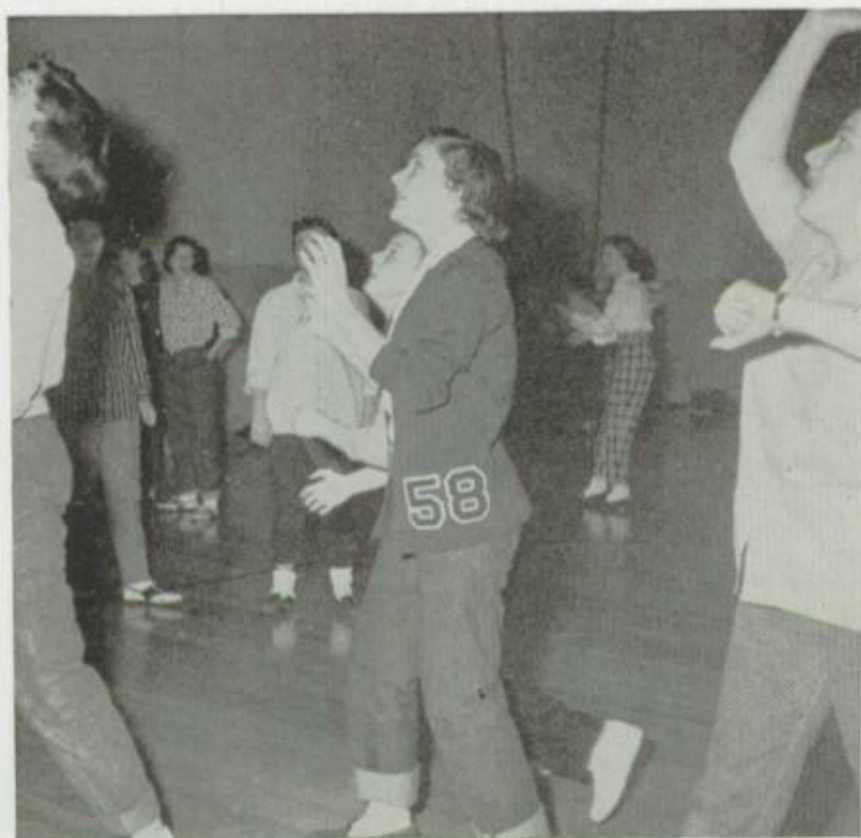

The Girls' Athletic Association, commonly called G.A.A., is a club organized to give girls interested in sports an opportunity to display their athletic ability. In order to keep membership in G.A.A., girls must abide by the rules of the organization and display good sportsmanship at all times.

The female athletes participated enthusiastically in four organized sports: They played volleyball and bowled during the fall and winter. Bowling was added this year as a new G.A.A. sport. During the winter, skating was an optional sport, and in the spring session, baseball was a great source of fun for the members.

G.A.A. is based on a system of points which are awarded for each sports session. After active participation, awards and numerals are given. This year the juniors have taken the lead in membership with 68 members. The seniors follow with 54 members, and the sophomores with 38.

The major project of the club this year was the initiation of the juniors and sophomores, which took place in the girls' gym January 17. The new members put on their required stunts and then were put through tests provided for by the senior members. After initiation ice cream bars, cokes, and potato chips were furnished by the new members.

Mrs. Mary Majors, G.A.A. sponsor, was aided this year by Pat Randolph, senior representative; Judy Fairchild, junior representative; and Dorothy Shelton, sophomore representative.

This year they have attended all of the out-of-town football games and as many basketball games as conditions have permitted.

Mascot Max.

To instill spirit in CHS's great Maroons, these enthusiastic workers have decorated the halls before each game with posters and streamers. During the State Basketball Tournament the Peparoons supplied pompons to those students attending the games. Max Maroon is another exceptional feature of Peparoons. Pat Kortkamp and Judy Dale served as Max this year.

Coaches

Left to right—Wes Davis, John O'Connor, Harold Jester, Roy Swindell, Tom Stewart, Lee Cabutti, Robert Mann.

Coaches

Roy W. Swindell—Athletic Director

Mr. Swindell, a veteran CHS coach, has been on the faculty since 1923. He has coached wrestling, golf, swimming, and sophomore football. With thirty-four years of coaching experience, Mr. Swindell has the knowledge and tact necessary to coordinate all the varied activities of the athletic department.

Coaches

JOHN O'CONNOR— Head Tennis, Sophomore Basketball Coach.

"Friends, let us commence."

Mr. O'Connor is well known for being unruffled at all times . . . Well, most of the time, anyway. Mr. O'Connor has proven himself valuable in the coaching field as he has assisted reserve football and baseball for a number of years and is now coaching sophomore basketball and tennis.

TOMMY STEWART— Head Football, Swimming, and Baseball Coach.

"Are you tired?" "Yeah!" "Then let's do it again."

Tommy—we all salute him—is a hard taskmaster, yet his persistence and devotion to duty brought results and acclaim to the Maroons. The former Illinois great is demonstrating his versatility in coaching by producing championship teams in football, swimming, and baseball.

LEEDIO CABUTTI— Head Basketball, Assistant Football Coach.

"Take ten laps to limber up, boys."

Lee Cabutti—our newest coach—has all the ingredients of an atomic bomb. He exploded the basketball team to the State tournament and enervated the old Maroon spirit to a new high. CHS is very proud to have him on the coaching staff.

JOHN MACEK—Head Wrestling, Golf Coach, and Sophomore Football Coach.

"Have you been kissy-facing again?"

"Big John" is a sincere guy and a hard worker. Coach Macek has contributed much to the Sophomores in preparing them for varsity competition in football. His tenets of good sportsmanship in both wrestling and golf will long be remembered by his teams.

WES DAVIS— Assistant Football, Basketball, and Track Coach.

"Watch that man! He goes to the left."

Even though Wes was not seen at many of the basketball games, his fine hand was always there. His excellent scouting paid good dividends as CHS marched to the State Tournament. He has also assisted most ably in football and track.

HAROLD JESTER— Head Cross-country and Track Coach.

"Keep your spirits up!"

Mr. Jester is perhaps one of the finest cross-country and track coaches Champaign has ever had on the coaching staff. His ability to work with boys is well known. Mr. Jester is the kind of coach boys want to work for and that is one of the most important qualities a good coach must have.

ROBERT MANN— Assistant Reserve Football, Wrestling and Track Coach.

"But on the other hand, there are four fingers and a thumb."

Bobby Mann, a graduate from Illinois Normal University, is a proficient wrestler himself. Assisting in sophomore football, wrestling, and track, he has made himself a valuable member of the CHS coaching staff.

1956 Football

As long as fans can remember, CHS has had football teams of which it can be proud. This year was no exception. The Maroons of 1956 had a 9-0 record, becoming champions of the Big 12 conference and Champaign's fourth undefeated football team in recent years.

Special honors were bestowed upon halfback Stu Clark and Captain Skip Ohl, both of whom were chosen to be on the *News-Gazette* All-State team, the *Chicago Daily News* and the *Chicago American* All-State teams. Ohl was named to the high school All-American team and Stu Clark received honorable mention on the same team.

Champaign scored a total of 380 points, allowing their opponents only 18.

CHAMPAIGN 59 FEITSHANS 0

Halfback Richie Green got the first Maroon touchdown of the year as he scampered seven yards on a pitch-out from quarterback Johnny Easterbrook. Two hundred and thirty pound Chuck Coleman set up the second Champaign score on a 24-yard run and Easterbrook completed the score with a ten-yard jaunt around right end. Stu Clark sprinted 43 yards on an intercepted pass and 22 yards for the

fourth touchdown. Tackle Charles Zeeh took full advantage of the Feitshans' fumbles on several occasions. Coach Stewart then put in his second team which continued to batter the Feitshans. Howard Mitchell scored the fifth and Willie B. Franklin the sixth touchdown in a pass from quarterback John Busch. Russ Ganaway snagged a pass from Bill Childress and Dave Julian scored in a quarterback sneak. CHAMPAIGN 80 NOTRE DAME OF QUINCY 0

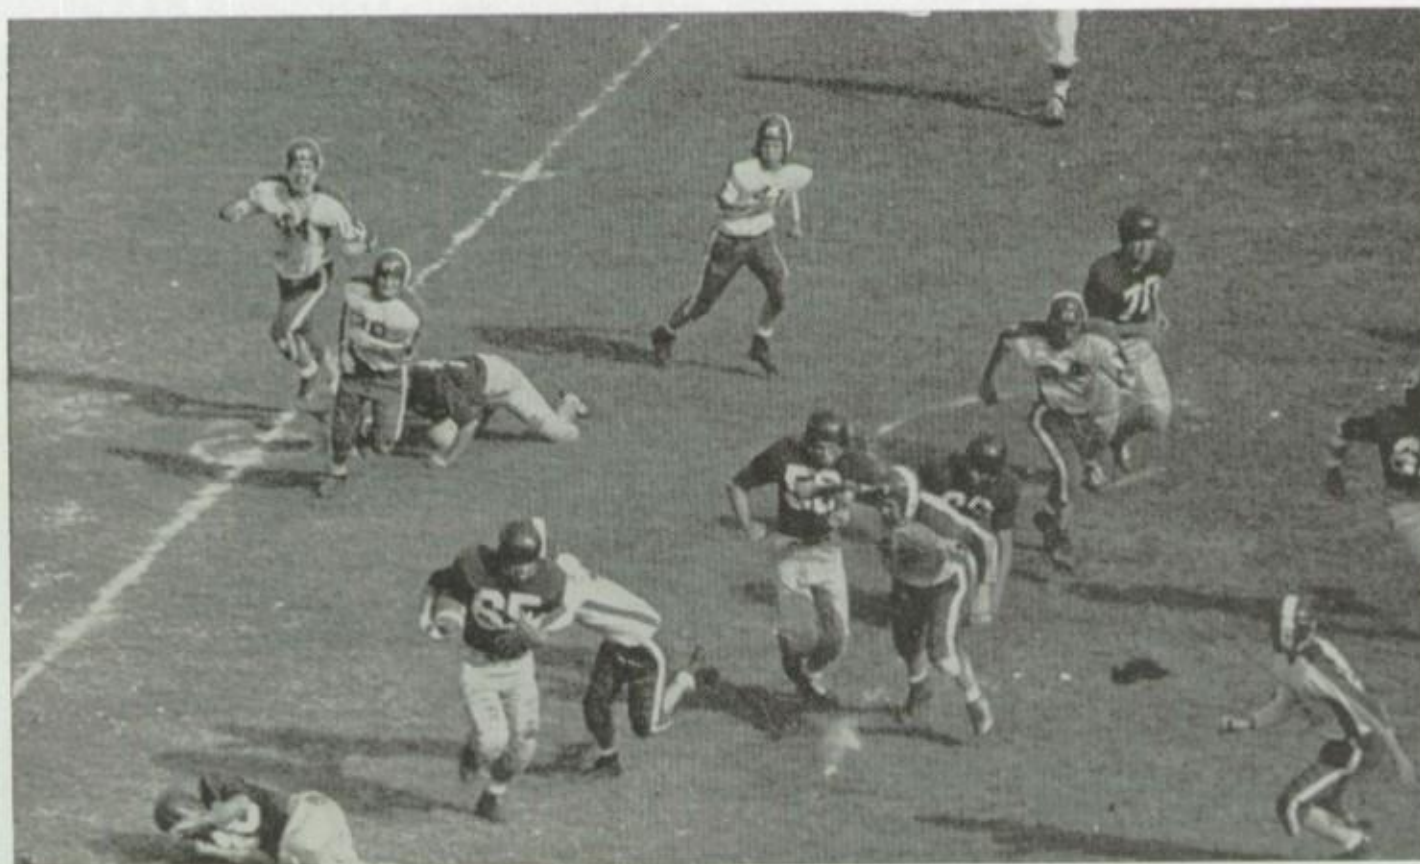

When the final gun was heard, a new winning scoring record had been set. It was the largest winning score since CHS trampled UHS in 1948 by a 72-0 count. A second record was posted when Stu Clark raced 99 yards to a touchdown, beating the halftime clock by four seconds.

The desperate Irish never had a chance to recover from Clark's fleet ball-carrying, Easterbrook's passing, and the excellent blocking of the Champaign forward wall. Guard Dave Eyestone displayed some very fine blocking along with that of Skip Ohl.

CHAMPAIGN 26 MOOSEHEART 0

Mooseheart received a good "going over" from Coach Tommy Stewart's club as Champaign piled up 451 yards

"Takes more than one to stop Ohl."

"Stu Strides"

to the scoreless Red Ramblers' 3 yards. Clark started things rolling with a 20-yard sprint around right end for the first score. Junior Chuck Coleman plowed his way over from the seven-yard line for the second TD. Quarterback Johnny Easterbrook, who completed five out of five, flipped to Clark on a touchdown play which covered 33 yards. Ohl then added an extra point. Coleman concluded the Maroon scoring when he plowed through the Rambler line from the three. The strong Maroon line and the swift backfield was too much for Mooseheart to handle.

CHAMPAIGN 53 SCHLARMAN 0

The Maroons wasted no time in scoring. Stu Clark ripped off 70 yards for the opening touchdown on the Maroon's second play from scrimmage. Right-end Jim Huxtable threw a key block at the mid-stripe which set Clark free. Johnny Easterbrook set up the third score when he ran 32- and 10-yard jaunts, respectively. Scoring the fifth touchdown in the first half was end Huxtable, who snagged a pass from Easterbrook which covered 63 yards. Coleman plunged over from the two-yard line to set up his second touchdown. Gary Foltz went over from the thirteen and Ernie Culver put the finishing touches on the scoring as he caught a pass from Quarterback Bill Childress late in the fourth quarter.

CHAMPAIGN 20 DANVILLE 6

Captain Skip Ohl lead his teammates to a decisive victory in their conference debut by throwing a perpetual barrage of vicious tackles and playing a fine game on offense. The Maroons really did not start to perform until the second half. After scoring once in the first half, Clark crossed the goal line twice in the third quarter. Ohl converted twice.

The defensive work of Whelan, Dowling, Eyestone, Zech, Maxwell, and Heimburger was very creditable. Jim Huxtable and Bob Mitchell did a very good job on pass defense as they repeatedly broke up attempted Danville pass plays. The Maroons limited the rushing gains of Danville's nucleus, "Bullet Joe" Darnell and Melvin Lewis to a minimum.

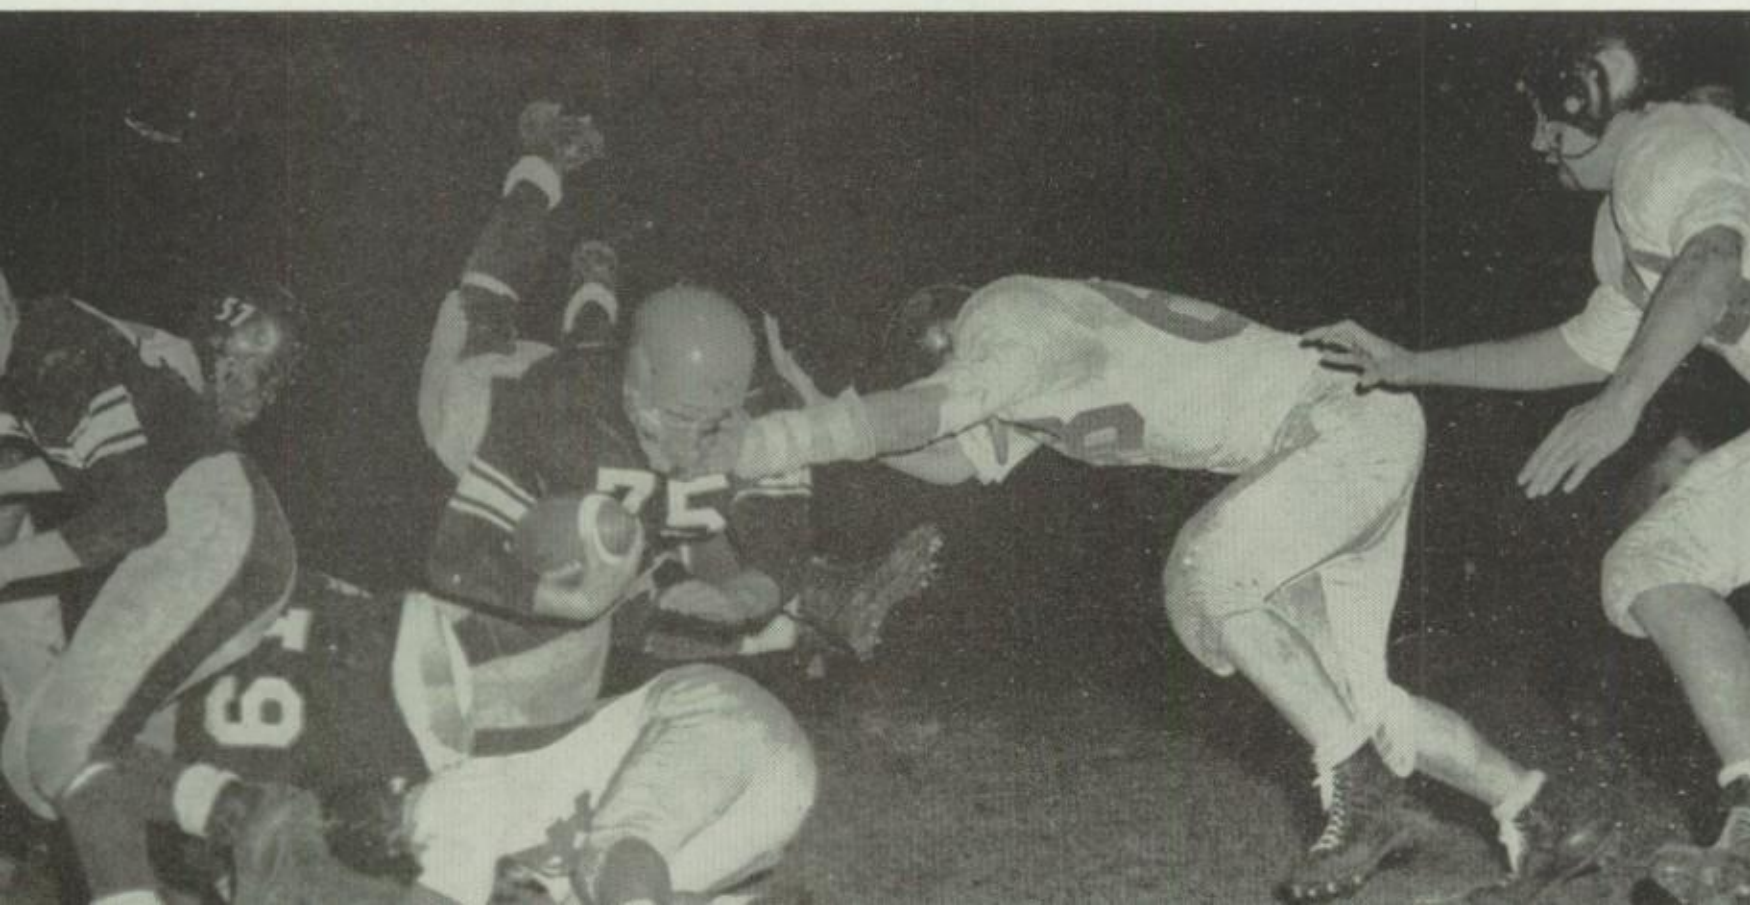

CHAMPAIGN 34 BLOOMINGTON 0

Quarterback John Easterbrook sparked the Maroon victory with an aerial attack. Stu Clark ripped through the Raiders' defense to score in the first two and one-half minutes of the game. Then Easterbrook started his aerial attack, throwing to Mitchell who snagged the toss for the first of Johnny's three touchdown passes. After a second-period drive started, Russ Ganaway plunged over from the two-yard line and Ohl converted, resting the half-time score at 21-0. Early in the second half, Easterbrook unleashed his second touchdown pass, this time connecting with Huxtable. Several plays later, this duo scored again—this time on a pass play which covered 64 yards. The fourth period was scoreless. The closest Bloomington ever got to Champaign's goal was on a pass play which brought them down to the Maroon 27-yard line.

CHAMPAIGN 39 MATTOON 6

The Green Wave was but a mild shock to Champaign's powerhouse as halfback Stu Clark's first-class running, combined with the unique passing of Johnny Easterbrook, led Champaign to its seventh straight win. On the ninth play of the game, Clark, aided by a fine block from Bud Zech, scored the first six-pointer of the evening. Easter-

brook later in the first quarter connected with Huxtable for another six. Late in the second quarter, Clark displayed some "fancy footwork" when he evaded a number of would-be tacklers and clipped off 35 yards for a TD. Only one minute and one-half had elapsed in the second half before Easterbrook flipped to Mitchell for a 53-yard touchdown sprint. Mattoon became the second team to score on the Maroons as their fullback plunged over from the two-yard line. Russ Ganaway, who earlier had a touchdown run called back because of a penalty, blasted through the Mattoon line to score the fifth TD for the Maroons. Quarterback John Busch connected with Gary Foltz, and Ohl converted to conclude the scoring.

CHAMPAIGN 41 URBANA 0

Five thousand, five hundred and fifty fans watched the powerful Maroons smother the Urbana Tigers for the 36th time. Stu Clark, who set a new season rushing record, sped 27 yards on his first carry and the Maroons led after 1:56 had elapsed in the opening period. Ohl then kicked the first of his five extra points. Another highlight of the game occurred as Easterbrook caught a punt on his own fifteen, faked a handoff to Clark, and cut to his left. Champaign blockers cleared a path straight to the goal line as Johnny raced easily for the TD. The score does not wholly indicate the collapse of the powerless Tigers. Their first three chances of moving the ball resulted in a net advance of eight yards and three fumbles, two of which the alert Maroons converted into touchdowns. Clark, Easterbrook, Howard Mitchell, and Richie Green did outstanding work in the backfield as the performance of the forward wall was sparked by Ohl. Guard Mike Whelan set up another TD by recovering an Urbana fumble early in the third period.

CHAMPAIGN 28 SPRINGFIELD 6

Champaign High School's 1956 football team, led by the seniors, put the finishing touches on its unbeaten, untied season by an important victory over the scrappy Springfield club. Bob Mitchell, left end for the Maroons, scored the last two touchdowns of his high school career. Clark and Easterbrook each scored one. Captain Skip Ohl booted four for four of his extra points to end his outstanding high school football career. Dave Eyestone, Don Hepler, and Ted Marshky, all sidelined by injuries, were on hand to congratulate their fellow teammates.

Star halfback, Stu Clark, who picked up 76 yards in the final game to bring his total yardage up to 1,040, broke Dick Ohl's previous record of 944 yards and established a new individual rushing record.

INJURED: Don Hepler, Ted Marshky.

"Take that bullet!"

Sophomore Football

The Champaign reserve football team also had a good season as they won six and lost only two. Although the season started with a loss and ended with a loss, they made up for it with six decisive victories as they defeated Georgetown, Danville, Danville Schlarman, Urbana, Clinton, and Bloomington. The outstanding reserves include Dave Julian, Larry Bailey, Nathen Butler, Marc Burgess, Jack Dukes, Gary Foltz, Milton Norwood, and Phil Summers.

In addition to those already named, Coach John Macek and Coach Robert Mann awarded numerals to Bill Bracy, Jerry Blacker, Jim Belmont, Ronnie Clark, Don Corray, John Dean, John Dow, Rick Elhart, Gary Hayes, Tommy Hayes, Jessie

Jones, Bill Miller, Dick Fisher, Ronnie Selvey, Dick Pace, and Gary Ward.

Cross Country

The new Cross-Country coach, Harold Jester, did a season with only two returning lettermen, Captain Leo Quirk and Roger Derby. Harold Jester's fine ability of his team earned them a successful season with a 4-2 dual meet record.

Captain Leo Quirk, perhaps the most outstanding Harrier CHS has ever known, won every race he ran (10 straight) before the State meet. His best time was 9:38.0 in the Big Twelve Conference Meet.

Coach Jester awarded letters to Captain Leo Quirk, Roger Derby, Bob Campbell, Jim Huffman, Roland Wilson, Kent Trimble, and Bob Cook. Cook is captain-elect for 1957-58. Numerals were awarded to Larry Cannon, Jay Boyd, and Terry Harshbarger. There will be four returning lettermen to form the nucleus of the team for the 1957 season.

Varsity Basketball

As the basketball season approached in November, Champaign fans anxiously awaited the first game, so that they could get a look at Champaign's new style of basketball under Coach Cabutti. The fans were not to be disappointed because the cagers ended the regular season with an 18-5 record and tied for third in the Big Twelve. The team then went on to win the Regional and Sectional titles, and to beat Maroa in the Sub-State. Champaign was one of the "Elite Eight" to reach Huff Gym. Cabutti's boys lost their quarter-final game to a good Ottawa team, which placed third in the State.

In the season's opener the Maroons breezed by Rantoul 48-39. Each team showed first game jitters as they both shot under .300 from the field in

the first half. Don Hepler led both teams, scoring with 19 points.

Champaign downed Kankakee in the next game 51-33. They looked much better than in their previous game. Johnny Easterbrook was high scorer with 22 points.

In their first conference game the Maroonmen squeezed past Decatur 41-39. Defense was a key factor in the game as Champaign got 16 offensive rebounds and Decatur got only two.

The next week was a full one for the team. They beat Peoria Manual on Friday 45-36, but lost by two points to an inspired Mattoon team Saturday.

The next week CHS had two games. On Tuesday they beat Taylorville 54-32, and on Friday

night they rolled over Streator 50-36 with Sid Johnson taking scoring honors with 20 points.

During Christmas vacation the Maroons journeyed to the Kankakee Holiday tournament. Champaign lost its first game to Glenbard 50-46 in an overtime and then won over Springfield and Proviso to cop third place in the tournament.

Back to regular season play the cagers crushed Urbana 62-29 on Tuesday, January 8 and then came back on Friday to avenge their loss to Mattoon by beating them 47-33. John Easterbrook collected 17 points to lead the scoring.

The next week CHS met both Danville teams, beating Danville easily 64-39 on Tuesday. Three nights later the Maroons took their sixth straight victory 61-36 from Schlarman with Sid Johnson taking scoring honors with 25 points.

They traveled to Springfield on the following Tuesday winning that game 41-32. On Friday they suffered defeat at the hands of Pekin 54-52 which was their third loss for the season.

On Friday the cagers lost a heartbreaker to Peoria Central 57-56. On the next night they defeated Clinton 57-46 there.

February 8, Champaign traveled to Danville and won for the second time over the Streaks for our seventh conference win. The following Friday

we rolled over Urbana for the second time 55-37. Gasche and Easterbrook led the scoring with 16 points each.

At Monticello on the following Tuesday CHS won 73-54, but Friday lost to Bloomington in their gym 61-54. The lack of rebounding hurt the Maroons severely.

The final game of the regular season CHS won over Lincoln 62-50. Easterbrook was high with 29 points.

Champaign won their own regional by defeating Mahomet 62-37 and Urbana 72-40, and then winning over Monticello in a 37-33 thriller.

In the Sectional, at Urbana, Champaign easily defeated Georgetown 38-25. Champaign's height was a problem that little Georgetown couldn't overcome. In the final game of the Sectional CHS came from behind to beat Rantoul 51-49 on a last second shot by John Easterbrook. The Maroons had to overcome a 15 point deficit in the last quarter before Johnny sank that winning shot as the gun sounded.

On March 19 the cagers journeyed to Decatur to play Maroa for the Sub-State title. After Champaign led most of the way, Maroa caught them in the last quarter and the Maroons had to come from behind to win 57-56. Hepler and Easterbrook were high with 17 points each.

On Friday the 22nd, decorated cars paraded to Huff Gym. Everyone's hopes were high as we met Ottawa in the quarter-finals of the State. All good things must come to an end, and Champaign for the first time during the season shot under .300 to lose 54-51.

John Easterbrook took scoring honors for the year making 385 points with a .437 percentage. Next was Don Hepler with 318 points and Attrice Dixon with 241 points.

Wrestling

Recurrent injuries and bad luck prevented the CHS grapplers from meeting pre-season expectations. The Maroons started the season with three letter winners: Roy Hansen, Rick Jarrard, and Ronnie Apperson. Jarrard suffered a knee injury after wrestling five times and was not able to compete for the remainder of the season.

The mat-men won four meets, against Bloomington, Streator, and Springfield Lamphier.

Although he did not place, Larry Slade was the only CHS grappler to participate in the State tournament.

Letters were awarded to Bill Wilson, Larry Lower, Roy Hansen, Marv Farmer, John Hadley, Larry Slade, Pat Hanafée, Wayne Lutz, Don VanDeventer, Rick Jarrard, Stu Clark, Bill Wirth, Ron Apperson, and Manager Jim Tibbetts. Junior Marv Farmer was named next year's captain; Roy Hansen, most valuable; and Jim Ingleman, most improved.

1956 Baseball

Champaign's baseball team was by far the best one that we have had in a long time. The Maroon nine, a strong hitting team, wound up the season with 18 wins and six losses. Champaign won the district tourney and moved into the sectional play at Danville. In the first round, Champaign defeated Trinity of Bloomington, two to one. In the final round of the tourney the Maroon nine met Charleston, with whom they had split two games in the regular season. However Charleston defeated Champaign four to three to capture the sectional crown and a berth in the state finals at Peoria.

Captain Bob Madix led the regulars through the season at the plate with a torrid .432 batting average. The '56' Maroons were very tough at the plate. Probably one of the best offensive teams that we have had for a long time.

Big, powerful Don Hepler is the captain-elect for the '57 season and is expected to be a top-notch first baseman. Letter winners were Majors, Bill Wheat, Bender, Rohr, Barrett, Huffer, Rasmussen, Hepler, Kamerer, Kortkamp, Clabaugh, Barger, Kell, Madix, Breen, Huxtable, Marshky, and Jim Wheat. Coach Stewart is looking forward to another good year in '57 with nine returning lettermen.

Track

Captain Will Nunnally became the first boy in the history of Champaign High School to hold four individual records and to be on a relay team which set still another. The bright spot in the 1956 season was the startling performance of Will Nunnally.

In the dual meet with Urbana, Nunnally set a new school record in the 120-yard high hurdles with a time of 15.2. Despite Nunnally's record Champaign still lost the meet 82 to 36. In the Urbana Relays, Will set a new mark in the 140-yard low hurdles of 15.6. In the Danville dual meet, Captain Nunnally went 13.6 for a new record in the 120 low hurdles. Finally, in the State Meet Nunnally set a new CHS mark in the 180-yard

lows to finish fifth in the state. Each of these records was a CHS record. Champaign's 880-yard relay also set a new school record in the state meet of 1:33.3. This relay consisted of Nunnally, Edwards, Cannon, and Howard Mitchell. Champaign was edged out by Springfield in the Big 12 Meet for third place by one-half a point.

Captain-elect Roger Derby and Coach Harold Jester are looking forward to another of Champaign's good track years in 1957, since there will be ten returning lettermen. Coach Jester awarded letters to Campbell, Cannon, Clark, Clegg, Coleman, Derby, Edwards, Mitchell, Nunnally, Quirk, Spicer, Young, Maxwell, and a manager's letter to Bob Jugenheimer.

Tennis, 1956

The 1955-56 tennis team had one of the most successful seasons in CHS history. Led by the duo of Captain Bob Lansford and Tom Brunkow, the CHS team advanced farther in the Big 12 and state meets than any other team of the past.

The dual meet record was 7 wins and 2 losses. Both defeats came at the hands of a well-balanced Mattoon squad, but the netmen also downed the perennial downstate net power, Danville, twice.

In the District held at Danville, the Maroons qualified two doubles teams, for the State meet, Lansford and Brunkow and Jim Kelly and Jim Riley. John Harbeson won a singles match, and as a result of these victories Champaign won the first District Championship in many a year.

In the State Meet held on the U. of I. campus, the duo of Lansford and Brunkow were seeded first, and defeated in order Roxana, Mattoon, Oak Park, and Hinsdale with little difficulty. But in the finals the tandem from CHS succumbed to New Trier's powerful team. Riley and Kelly lost their first-round match to LaGrange.

The doubles teams again came through in the Big 12 meet to secure a second place behind Decatur. The number one Maroon duo copped the doubles title, defeating Decatur's team in the finals. Kelly and Riley pulled some upsets and reached the semi-finals before being beaten by the Decatur finalists.

Golf

Last year's golf team was one of the best in recent years, second only to the state champions of 1951. Coach Macek had his best year as coach when the linkmen won 11 of 12 dual meets losing one meet to Danville. The Maroons trimmed our arch-rival, Urbana, twice during the season. Champaign was second and fourth, respectively, at the District meet at Decatur and the Peoria Invitational. At the Big 12 the boys had a bad day in the rain but came out with a fifth in the meet.

Coach Macek awarded letters to Joe Atkinson, John Easterbrook, Terry Lappin, Larry Wilborn, Bob Shaver, and Bob Whetzel with all but Shaver and Wilborn returning for next season. Terry Lappin was chosen captain for the 1957 season, and the team is hopeful for an even better team this year.

Dear Carl:

You're one of the best ~~MARKERS~~ ^{INVESTMENT COUNSELORS} that I know. You're also a "swingin'" fast dancer. I really had a slick time at Heimburgs even though I hardly saw you. You're ^{INVESTMENT BANKERS} really sharp ^{BROKERS} and I wish you all the luck in the world. "God Bless you."

P.S. We sure do have fun with & in the group.

Dear Lovable Carl

Will you ever forget this year? I hope not, for if you've had half the fun that I've had, you'll be really out in left field if you forget. You know what... you've been swell to pick me up for school. (even if we didn't quite make it on time every day) I don't think I'll ever forget the parties, Sales 2, Dance Band, and the rainy nights. Don't you either. Always remain as you are now... keep your personality and your friends... and someday, somewhere, we'll get together again. You'll never want for anything, Carl, for you have everything as it is. Do you remember how you thought the group had all graduated last year? You were sure wrong weren't you! Well this year if you said that, you'd be right!! Be good but have fun and never forget your little friend who will always love and cherish you. May God give you all you'd ever want. You deserve it!
Love P.

Dearest darling Carl William Blue (Haley)
There are so many things I want
to tell you but I don't think I'd
better write them. The next time you
go to tell a story please tell it without
any interruptions. I just can't concentrate
that way. I don't think you could either.
I also agree with Carl - You are - I
wonder how I know.

Well, Carl don't forget about your
little sister though the summer and
next fall. We will have to have
swingin' parties on holidays when we
all are home. Maybe we can write.
What happens to the kids next fall
I guess that's something we are go-
ing to have to settle soon.

All kidding aside now, we real-
ly have had loads of fun together. I
hope it stays that way for you
really are a swell guy and a good
friend. Remember all our parties and
the group. Least of all don't forget
Hiney's "big black chair" - I don't
think I will.

Well, I guess I've taken up enough
room and wasted all your space. Be
good but have fun.

Much love,

"Wifey dear"

P.S. Wait until the

25th of August it looks like I'm
going to meet you

Carl:

What a year this has been. We've done almost everything! (agree?) Remember our many parties, especially the one after Musical Moods that was some night. Remember the committee meetings, state tourney, Les Brown concert, and Dalis II. I'm glad our group worked out so well this year, we thought that all of our group was graduating last year, but we two built it up to the best in school. See you this summer. Let's have the best party ever on Friday nite.

Don

Kindly

Carl,

I have had so darned much fun with you & the gang that I don't know what I'm going to do if we don't have those parties this summer. I'll never forget all the good times at Lendales 2 - - You are really a swell guy & you can kiss good-bye. Best of luck & happiness to you in the future. Be good next year, but have fun (which you will) Love & friendship,
Gail Brown '57
